## Double Sheet Ravioli Former RCA 300 C

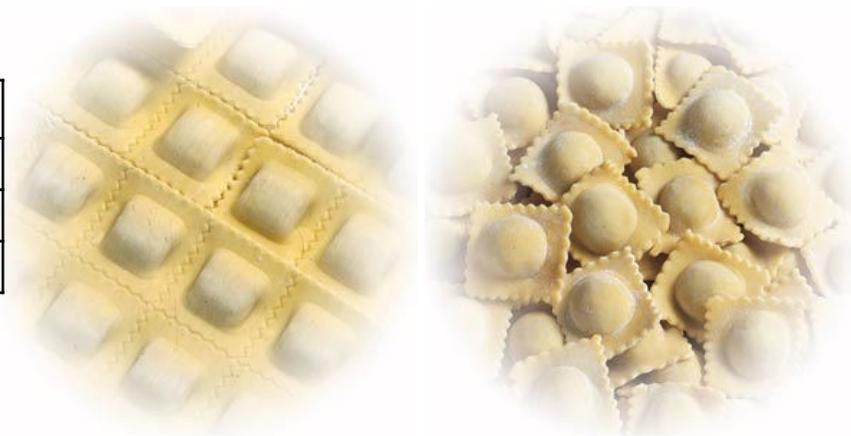

The RCA 300 C is a machine for the production of double-sheet ravioli suited to medium scale production. Double couple of laminating rollers, one on top of the other, at the back allows the continuous feeding of pasta sheet and allows also a free admittance to the die. The system to distribute the filling with rods guarantees the perfect pinching of the ravioli even with fat filling. The technical solutions adopted have allowed to realize a reliable machine with reduced maintenance exigencies.

### Main technical features:

- ✓ Basement, sidewalls and rollers in stainless steel.
- ✓ Double couple of laminating rollers with independent thickness adjustment and adjustable speed by electronic variator.
- ✓ Automatic feeding of the sheets from the rollers to the die by conveyor belts.
- ✓ Removable conveyor belt for final product collection.
- ✓ Main machine and die speed adjustment by electronic variator.
- ✓ Motor-gearboxes and bearings lubricated for life.
- ✓ Cam and gears casehardened and tempered.
- ✓ All food contact parts are made in stainless steel or a food grade material.
- ✓ Electric cabinet in stainless steel with command, control and safety devices.
- ✓ Control push-button panel a side of the machine according to CE standards.

### On request:

- ✓ Interchangeable dies with built-in filling distribution system by rods with **single injector**. Suitable to set dies for separate or plate ravioli in different shapes (square, round, half-moon and special shapes). Mechanical device to extract the ravioli from the cutting roller.
- ✓ Separate continuous filling feeder device, even with fat filling, set on castors with quick release for cleaning with electronic speed variator.
- ✓ Scraps cutter device (for the shapes with a 'web' scrap) with electronic speed variator.
- ✓ Scraps recovery system by conveyor belts.
- ✓ Device to adjust simultaneously all speeds.
- ✓ Touch Screen panel; PLC.

Machine	Unit	RCA 300 C
Hourly Output	Kg	250 – 350
Sheet Width	mm.	300
Size	mm.	1100 x 1100 x 1650
