

Tilting Mixer VI 70-130

The VI 70-130 is a tipping mixer/kneader tank with single-shaft to prepare the dough.

Main technical features:

- ✓ Sturdy basement in Stainless steel.
- ✓ Tipping tank by pneumatic piston.
- ✓ Mixing tank with shaft and blades in mirror finish with side scraping blades; movement by motor-gearbox; blades-shaft coupling by taper hole.

The hygienic design without sharp edges allow a deep and quick cleaning; all food contact parts are made in stainless steel or a food grade plastic material. Command, control and safety devices according to CE standard.
